*SOHN National Congress and Symposium, 2008
Chicago, IL with
President, Keri McConnell*

The Birmingham Chapter of SOHN was chartered in 2007 and is one of only 13 chapters in the United States. The Chapter's membership has grown tremendously during these past few years and has had many accomplishments, including winning the National Chapter Showcase Award for the second time in a row at this past congress in San Diego. The chapter is very active in the community, giving time and money to organizations helping our patient population.

This is the 4th Head and Neck Nursing Conference presented at UAB Hospital. The Birmingham Chapter of SOHN has sponsored the last two conferences and is also sponsoring the conference for this year.
